

Century Pacific Food, Inc. Assures Enough Food Supply

CENTURY PACIFIC FOOD, INC.

The country's biggest canned food maker, Century Pacific Food, Inc. (CNPF) assures the public of adequate supply of its products to meet the heightened demands of consumers during this period of Expanded Community Quarantine

“Thanks to the support of the Department of Trade & Industry and the Inter Agency Task Force, we are able to maintain a smooth flow of goods. Our factories are continually operating with enough capacity despite the use of a skeletal workforce.
